

## Janani Suraksha Yojana (JSY)

Janani Suraksha Yojana (JSY) is a safe motherhood intervention under the National Rural Health Mission (NRHM) being implemented with the objective of reducing maternal and neo-natal mortality by promoting institutional delivery among the poor pregnant women. The Yojana, launched on 12<sup>th</sup> April 2005, by the Hon'ble Minister, is being implemented in all states and UTs with special focus on low performing states.

The Yojana has identified ASHA, the accredited social health activist as an effective link between the Government and the poor pregnant women.

Identify pregnant woman as beneficiary of the scheme.

Counsel for institutional delivery

Escort the beneficiary women to the pre-determined health center and stay with her till the woman is discharged.

Arrange to immunize the newborn till the age of weeks.

The scheme focuses on the poor pregnant woman with special dispensation for states having low institutional delivery rates namely the states of Uttar Pradesh, Uttaranchal, Bihar, Jharkhand, Madhya Pradesh, Chattisgarh, Assam and Jammu and Kashmir. While these states have been named as Low Performing States (LPS), the remaining states have been named as High Performing States (HPS).

Each beneficiary registered under this Yojana should have a JSY card along with MCH card.

**BPL Certification:-**This is required in all HPS states. However, where BPL cards have not yet been issued or have not been updated, States/UTs would formulate a simple criterion for certification of poor and needy status of the expectant mother's family by empowering the gram pradhan or ward member.

Category	Rural Area		Total	Urban Area		Total
	Mother's Package	ASHA's Package	Rs.	Mother's Package	ASHA's Package	Rs.
LPS	1400	600	2000	1000	200	1200
HPS	700	600	1300	600	200	800

Importantly, such woman in both LPS and HPS states, choosing to deliver in an accredited private health institution will have to produce a proper BPL or SC/ST certificate in order to access JSY benefits.
