It is hereby brought to the notice of all concerned that, as per the communication received from NICeMail Division, National Informatics Centre, government-owned domains such as **gov.in** and **nic.in** will no longer be permitted for use by PSUs and Paid Category users.

Accordingly, access to all government-owned domain email IDs is discontinued **with effect from 9th April 2026**.

All employees who are presently using emails with **@gov.in** or **@nic.in** addresses are requested to immediately apply for a new official email ID (**@neigrihms.gov.in**). The application link is available in the Institute website at the following:

"neigrihms.gov.in > Administrative > Link for applying Gov / NIC email"

It is advised that all such employees complete the process and utilise only **@neigrihms.gov.in** email IDs in all official portals (eOffice, eSparrow etc.) **at the earliest** so as to avoid any disruption in services.

All Heads of Departments/Sections are requested to kindly bring this to the notice of all concerned employees under their supervision for immediate necessary action.
